## Reviews

### Academic

**[Wesleyan]** Blair Academy is strong academically and is a very competitive program. It is designed so that students that put in the effort are able to succeed. Average class size is 12 students. Teachers make courses that adapt to the needs of all students. Exams are not the most important thing.

### College Counseling

**[Wesleyan]** Begin discussing college selection/admissions at the end of sophomore year. Assigned a college counselor. Counselors are active in the application process with students.

### Admissions Process

**[Wesleyan]** Have to take ISEE and acceptance is based on aspects of middle school career (test scores, academic standing, extracurricular activities, attitude and how one would interact with others in a boarding school setting). The school looks for well-rounded students that can potentially bring something new. Admissions interviews aren't required but they are highly recommended. Students' parents should show interest in the process, but shouldn't become overly active.

### Extra-Curricular Activities

**[Wesleyan]** Extracurricular activities include: Varsity/ Junior Varsity Sports (Swimming, Tennis, Field Hockey, Football, Soccer, Basketball, Cross Country, Squash, Track and Field, Baseball, Softball, Lacrosse) Plays that students can direct as well as become actors/actresses in Managers of teams Join/Create Clubs Math Club etc.

### Quality of School Life

**[Wesleyan]** The food is good. Dorms are above average and catered to student life. The neighborhood is a quiet town. People in the town and the students interact in a friendly manner. The school is diverse with people coming from all aspects of life and from all across the globe. The weekends offer an array of activities that students can partake in.
